A Map of Tulsa: A Novel Benjamin Lytal

“If *Catcher in the Rye* has lost its raw clout for recent generations of Internet-suckled American youth, here is a coming-of-age novel to replace it.” —*Publishers Weekly* (starred review)

The first days of summer: Jim Praley is home from college, ready to unlock Tulsa's secrets. He drives the highways. He forces himself to get out of his car and walk into a bar. He's invited to a party. And there he meets Adrienne Booker; Adrienne rules Tulsa, in her way. A high-school dropout with a penthouse apartment, she takes a curious interest in Jim. Through her eyes, he will rediscover his hometown: its wasted sprawl, the beauty of its late nights, and, at the city's center, the unsleeping light of its skyscrapers.

In the tradition of Michael Chabon's *The Mysteries of Pittsburgh*, *A Map of Tulsa* is elegiac, graceful, and as much a story about young love as it is a love letter to a classic American city.

From the Trade Paperback edition.
