## **Exploits of a Reluctant (But Extremely Goodlooking) Hero** Maureen Fergus

Meet a teenage hero who likes nothing better than to sit back with a bucket of fried chicken and a girlie magazine, waiting for his family plumbing fortune to come to him. But when our hero gets into some serious trouble, he's forced to volunteer at a local soup kitchen where he finds himself at the center of a struggle between the rich and the poor, the selfish and the selfless. It is a worthy cause he could care less about until the day he stumbles across a shocking piece of information. What happens next surprises everybody, including our very reluctant hero.

Exploits of a Reluctant (But Extremely Goodlooking) Hero is a novel of adventure, intrigue, Ukrainian dance lessons, disruptive horseplay, inappropriate ogling and some truly heroic consumption of junk food. Adrian Mole meets South Park in this often outrageous and always hilarious trip into the inner world of a boy teetering on the brink of manhood.
