Girls aren't really made of sugar and spice and everything nice. Well, perhaps some girls are, but those are certainly not the girls you'll meet in *I Kissed a Frog* a collection of wacky short stories, tongue-in-cheek diaries and not so grim twenty-first century fairy tales that turn love and friendship inside out and upside down. You'll find it all here: getting even with exes, changes in male-female dynamics, crazy diet wars, besties turning into worsties, dark humour, light comedy and the startling discovery that Prince Charming may not be your pitcher of beer. Young, fun and feminist, *I Kissed a Frog* is just what a girl needs to chase the blues away.

### From reader reviews:

#### **Marietta Allred:**

What do you think of book? It is just for students because they're still students or it for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has diverse personality and hobby for every other. Don't to be pressured someone or something that they don't would like do that. You must know how great along with important the book I Kissed A Frog. All type of book would you see on many solutions. You can look for the internet resources or other social media.

#### **Brian Bauer:**

What do you about book? It is not important along with you? Or just adding material when you need something to explain what the one you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to do others business, it is make one feel bored faster. And you have time? What did you do? Everybody has many questions above. They should answer that question mainly because just their can do that will. It said that about book. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need that I Kissed A Frog to read.

#### **Harold Houston:**

In this 21st hundred years, people become competitive in most way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated this for a while is reading. Yes, by reading a reserve your ability to survive boost then having chance to stand up than other is high. For you who want to start reading any book, we give you this kind of I Kissed A Frog book as nice and daily reading reserve. Why, because this book is usually more than just a book.

#### **Tony Valdez:**

This I Kissed A Frog are generally reliable for you who want to be a successful person, why. The reason of this I Kissed A Frog can be one of several great books you must have is giving you more than just simple reading through food but feed an individual with information that probably will shock your prior knowledge.
