It's Never Too Late: Getting Older, Wiser, and Worry Free in Our Golden Years Scott Page

"It's Never too Late" could save (the rest of) your life.

We're all going to die. Jolting, yes, but an important truth we must face because most people, when left to their own devices, choose the easier path of living in fantasy rather than reality. It's high time we come to terms with our mortality because the outlook for many of us is one of overwhelming fear and horror about the reality of growing old in America. What's worse, far too many of us are well aware of the dire forecast for our future but feel utterly powerless in its wake. But it doesn't have to be that way.

Towards getting ourselves back on track or helping elder parents and loved ones do the same, Scott Page gives us easy (and even fun) ways to develop a workable plan for living out our lives with greater peace of mind and security regardless of our current age and station in life---leaving us wondering why we didn't do something about it sooner. With easy, fast-acting steps to restore hope and faith for our future, Scott offers a holistic methodology anyone is fully capable of following if they're willing to get into motion.

From reader reviews:

Patricia Jones:

Within other case, little folks like to read book It's Never Too Late: Getting Older, Wiser, and Worry Free in Our Golden Years. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important a new book It's Never Too Late: Getting Older, Wiser, and Worry Free in Our Golden Years. You can add knowledge and of course you can around the world by a book. Absolutely right, because from book you can realize everything! From your country until finally foreign or abroad you will find yourself known. About simple thing until wonderful thing you may know that. In this era, we are able to open a book or perhaps searching by internet system. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's examine.

Denise Welton:

Information is provisions for anyone to get better life, information these days can get by anyone at everywhere. The information can be a know-how or any news even a huge concern. What people must be consider when those information which is inside former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you receive the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take It's Never Too Late: Getting Older, Wiser, and Worry Free in Our Golden Years as your daily resource information.

Edward Lott:

This book untitled It's Never Too Late: Getting Older, Wiser, and Worry Free in Our Golden Years to be one of several books that best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit into it. You will easily to buy this kind of book in the book retailer or you can order it through online. The publisher in this book sells the e-book too. It makes you easier to read this book, since you can read this book in your Smart phone. So there is no reason for your requirements to past this reserve from your list.

Veronica Lopez:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this It's Never Too Late: Getting Older, Wiser, and Worry Free in Our Golden Years can make you sense more interested to read.
