This is a story of two young boys who are faced with drama early on. They have to change their way of thinking and fight for their destiny. I believe every reader will receive answers to their purpose for their life. You'll receive encouragement and inspiration to face your fear. A key to a joyful life is living out your dreams.

Prepare to work out your dreams through your gifts. Work what you have in your hand. Do not despise small beginnings. It is better to start with something small, rather than do nothing at all. It's amazing how something so small can blossom into something so great!

Continue to press toward your purpose, your destiny awaits you!
