Eric Bain-Selbo

Judge and Be Judged: Moral Reflection in an Age of Relativism and Fundamentalism Eric Bain-Selbo *Judge and Be Judged* offers insights into moral life and moral judgment that aim to help in understanding our society's tendency towards either fundamentalism or relativism. Framing his argument with an exegesis of Jesus' teaching "Judge not, that you be not judged," Eric Bain-Selbo provides some helpful conceptual tools for thinking about that predicament, and finding a way past it. By examining the social function of shame, the possibility of cross-cultural understanding, and obstacles to moral judgment in the college classroom, this book charts a path that helps us to avoid both fundamentalism and relativism.
