Tuesday's Child Clare Revell

Tuesday's Child tenders direction... Deaf from the age of five, Adeline Munroe operates a hospital for injured dolls, but lately her quiet life is disturbed by violent, haunting visions. Perhaps it's just her unspoken fear—a serial killer has struck in Headley Cross. But Adeline soon realizes she's seeing each murder just before they happen and reluctantly contacts the police. Detective Sergeant Nate Holmes has enough to deal with between caring for his orphaned niece and his current assignment—the Herbalist killings, so when a woman comes forward who claims to be "seeing" the crimes in dreams, he isn't hopeful she'll be of any help. But he knows her from church, and she inexplicably describes how each crime is committed. Is God answering his prayers through Adeline? Adeline assists the police, yet more women die and she becomes the prime target of the killer. Will Nate crack the case before the Herbalist can complete his agenda—or will the next murder Adeline foresees be her own?
