Chuck's Dinosaur Tingle: Volume 2 Dr. Chuck Tingle

Chuck Tingle is a world-renowned master of the 'tingler'; a story so sensual, so erotic, and so powerfully gay that it will change the whole way you look at erotic romance literature. Collected here are three such tales of the dinosaur variety. Are you ready to depart on a depraved journey of gay lust that will tingle you to your very core? If so, than this explicit collection is for you. **GAYGENT BROSAURUS: THE BUTT IS NOT ENOUGH** John Marks is just an average bellboy working at Central America's finest luxury hotel, until two mysterious characters show up and change his life forever. The first is the villainous Tudwig Cobbler, an imposing Russian with a hook for a hand, and the second is Gaygent Brontosaurus, a dinosaur who immediately sweeps John off of his feet. Soon John finds himself wrapped up in a world of high stakes espionage and international terrorism, all culminating in a magical night of hardcore, erotic romance on the beach with his handsome, prehistoric lover. **PROFESSOR T-REX TEACHES ME GAYNESS** James is a guy from the wrong side of the tracks, and thanks to his financial woes, he is destined to be stuck there forever. But everything changes when James, working as a college janitor, solves a problem on the blackboard of an empty classroom. Now a handsome T-Rex professor wants to teach James the most important lesson of all... gayness. But is gayness a power to volatile to be contained? **LONELY AUTHOR POUNDED BY DINOSAUR SOCIAL MEDIA FOLLOWERS** After writing his award winning erotic novel, *Reamed By My Reaction To The Title Of This Book*, Buck Trungle soon finds himself in a deep depression. Out of ideas for his next erotic tale, Buck turns to Torter, his favorite social media platform, in desperation. "Is anyone out there real?" Buck asks, not knowing that the answer to his question will unravel the fabric of his very universe. One by one Buck's Torter friends begin showing up to disclose that they are actually, in fact, gay dinosaurs. But will this incredible revelation lead to an even deeper depression, or a hardcore dinosaur gangbang?
