## **Out of Order** Betty Hicks

One million American children become part of blended family every year. What happens to stepsiblings when the oldest child suddenly becomes the middle child, and the youngest even younger? Out of Order delivers four electric points of view from stepsiblings, ages nine to fifteen, in a super-unsettled, scrambled-up family. An unforgettable Rock, Paper, Scissors tournament, plus 120 hazardous bug snacks, equals humor, insight, and serious indigestion. Betty Hicks gives us her most entertaining and complex novel yet.
