Tangled Lives: Daughters, Mothers and the Crucible of Aging Lillian Rubin

Dr. Lillian Rubin's tenth book examines the lives of women as they grow from daughters into mothers and move on into the intimidating territory of old age. Tangled Lives uses pivotal events from Lillian Rubin's own life—her mother's passing, her own dramatic brush with death, her daughter's illness, and her seventy-fifth birthday—to illuminate the powerful influence the mother-daughter bond has on a woman's identity, and the profound changes that come with aging.
