The Motorway Achievement: Volume 2: Frontiers of Knowledge and Practice Professor Ron Bridle, John Porter

The creation of the UK motorway network in the second half of the 20th century facilitated a dramatic improvement in the mobility of people and goods and contributed greatly to the prosperity we enjoy today. *Frontiers of knowledge and practice*, has been produced for the Motorway Archive Trust by a team under the overall direction of Professor Ron Bridle, former Chief Highway Engineer at the Department for Transport.

This authoritative volume comprises eight chapters, each of which was compiled by a leading contributor to the motorway programme.
