Notes from The Century Before: A Journal from British Columbia

Edward Hoagland

Notes from The Century Before: A Journal from British Columbia Edward Hoagland

In 1966, Edward Hoagland made a three-month excursion into the wild country of British Columbia and encountered a way of life that was disappearing even as he chronicled it. Showcasing Hoagland's extraordinary gifts for portraiture—his cast runs from salty prospector to trader, explorer, missionary, and indigenous guide—*Notes from the Century Before* is a breathtaking mix of anecdote, derring-do, and unparalleled elegy from one of the finest writers of our time.

From the Trade Paperback edition.
