**To Love Is to Fly** Jonathan Chester, Patrick Regan

Anyone who's ever been in love knows that this supreme emotion changes everything. When love is real, it sometimes feels like gravity itself doesn't quite apply. In *To Love Is to Fly*, this magical and powerful journey is told through photographer Jonathan Chester's stunning photography of penguins, along with refreshingly heartfelt prose.

*To Love Is to Fly* is written from a me-to-you perspective, making it a great gift for spouse, partner, or main squeeze. Highlights include an image key denoting the type of penguin, environmental features, location details, online resource links, and facts about the different species in each photo.

With their upright stance and bemused expressions, penguins are the most humanlike of birds. Like us, they sacrifice for their families, are mostly monogamous, and must adapt to survive in a rapidly changing world.

Also like us, it's impossible for them to fly.

But doesn't love make anything possible?

#### **Bruce Davis:**

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this To Love Is to Fly can make you experience more interested to read.
