## **Il federalismo (Farsi un'idea) (Italian Edition)** Sofia Ventura

Se ne parla molto, per alcuni è una bandiera da agitare minacciosamente, per altri una prospettiva divenuta più concreta dopo le recenti modifiche costituzionali. Ma cos'è veramente il federalismo? A quali correnti di pensiero si ispira? Quali sono i principali stati federali e come sono organizzati? Questo libro aiuta il lettore a orientarsi sul tema e a fare chiarezza sui molti termini ad esso connessi, come federazione, confederazione, devolution, federalismo fiscale, stato regionale. Viene descritta, in concreto, una serie di casi: dagli Stati Uniti d'America, prototipo del governo federale, alle più recenti esperienze della Spagna e del Belgio che stanno procedendo dallo stato unitario allo stato federale. E naturalmente si parla della situazione dell'Italia, tra regionalismo e proposta federalista, e dell'Unione europea, un'esperienza innovativa che pare sfuggire alle tradizionali classificazioni.
