Império do caos (Portuguese Edition) Pepe Escobar

O tabuleiro em que se dá o embate que resulta no mundo como conhecemos é o próprio mundo! Com seus 88 artigos publicados em livro neste Império do Caos, Pepe Escobar nos apresenta um mosaico desconcertante da coerência cataclísmica do advento global em curso do Império do Caos. Em cena, o cinismo de neoliberalismos, de intervenções ditas humanitárias na Líbia, na Síria e na África, de listas de abate de Obama é corrosivamente aviltante. O espetáculo da jihad-ostentação em Saint Tropez, de magnatas “comprando” a água da Patagônia, da opulência sangrenta e repressiva na Península Árabe, de mortes tratadas como “dano colateral” no Grande Oriente Médio e na África é dos mais consternadores. Os movimentos geopolíticos dos grandes jogadores do Novo Grande Jogo da Eurásia – China, Estados Unidos, Rússia, União Europeia –, que pouco a pouco substitui a dominação mundial dos Estados Unidos como única superpotência, envolvem força bruta, poços, oleodutos, gasodutos, trilhões de yuans, de dólares e de euros, terrorismos, reservas de ouro e moeda, bancos, estradas, portos, bolsas de valores, exércitos, rotas marítimas e terrestres, ferrovias, corporações, mercenários, guerras declaradas ou não e populações inteiras numa rede planetária muitas e muitas vezes espantosa. Contudo, são essas alianças e disputas que hoje mesmo estão constituindo o tecido do novo sistema multipolar por onde vão circular os nutrientes econômicos, políticos, diplomáticos e culturais de um novo mundo que já sabemos estar a caminho, mas cujos prazos e custos mal podemos vislumbrar.
