The First Paper Girl in Red Oak, Iowa: Stories Elizabeth Stuckey-French

With the stories in her first collection, Elizabeth Stuckey-French establishes herself as a smart new voice in American fiction and stakes her claim to a territory somewhere on the edge of stability, where normal is not just boring but nearly impossible, and where standing out in a crowd may just cause isolation.

Her characters, mostly Midwesterners, are bizarre but endearing. A reform school graduate is placed in the care of her psychic aunt and in the servitude of a lucrative dog retrieval scheme. A mother who has accepted her son's modest employment selling blue jeans bemoans the above-board lifestyle she discovers him leading as a wanted criminal. A rehab counselor lives vicariously through her already pregnant stepdaughter's love affair with a drunk who spends his days in recovery and his nights in the bar.

Full of wry wit, tender sympathy, and heartland attitude, **The First Paper Girl in Red Oak, Iowa** is as strange, funny, and poignant as the real world it resembles.

From the Trade Paperback edition.
