Once upon a time, sensible Maggie Fitzgerald was a starry-eyed romantic. She'd loved Jake West from their first trembling teenage kiss, when he'd vowed to make her his wife. And she'd built her future on Jake's broad shoulders, never imagining another ending....

But Jake had left town, and Maggie had made a life for herself and two orphaned nieces without him. Until Jake miraculously happened upon her remote inn, ardent to make amends...and finally claim Maggie as his. Forgiveness came easy, for she'd never forgotten Jake. But did Maggie dare to believe, at long last, in happily-ever-after?
