Students preparing for the Advanced Placement U.S. History exam will welcome this set of flash cards, which offers them the flexibility to study history in ways not available from textbooks and study guides. 504 cards encompass the entire AP course, reviewing all key topics. Cards are numbered and labeled so that students can arrange them within a chronological time frame or according to any of seven categories. The cards run chronologically from the Colonial era of the early 1600s to the present day. The seven categories are: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. Questions and answers on flash cards cover every significant aspect of U.S. history from Abolitionism and Articles of Confederation to the Yalta Conference and Zachary Taylor. Here is an efficient and productive way to brush up on facts for the Advanced Placement exam, and an ideal supplement to classroom textbooks.
