**Innovations in Health (Problem Solved! Your Turn to Think Big)** Lindsey Carmichael

You might be shocked to discover how some illnesses and diseases were treated years before medical innovations were made. This book will make you feel lucky that you were born after many safe and successful ways were developed to treat illnesses and save lives. Learn about important innovations made in health care that we now take for granted, and the amazing scientists, inventors, and engineers who developed them. With a little inventive thinking, how could you come up with a way to keep you and your family healthy?
