King John: A History

William Shakespeare

King John: A History William Shakespeare

Treachery and betrayal are the order of the day during the reign of King John of England (1199-1216.) After he is forced to recognize the illegitimate son of his dead brother, King Richard I, King John finds himself under siege by the French king, Philip. Dealing with themes of royal legitimacy, succession, and the tenuous nature of diplomatic relationships, King John parallels issues prevalent in Shakespeare's own society at the time.
