Nonno non mi riconosce più. L'Alzheimer raccontato ai bambini (Italian Edition) Terri Kelley

I bambini osservano e captano tutto ciò che accade intorno a loro. Si trovano così a dover fare i conti anche con problemi che riguardano i loro genitori e nonni. L'Alzheimer, la demenza, e altri disturbi cambiano le relazioni tra i bimbi e i loro familiari. Nonno non mi riconosce più è la storia di un bambino che scopre poco a poco come la malattia dell'anziano familiare cambi il loro rapporto affettivo. Invece di spaventarsi e allontanarsi dal nonno, il bambino si prende cura di lui, lo rassicura e lo ama ancor più intensamente.
