## **SPHDZ Book #1! (Spaceheadz)** Jon Scieszka

Michael K. just started fifth grade at a new school. As if that wasn't hard enough, the kids he seems to have made friends with apparently aren't kids at all. They are aliens. Real aliens, who have invaded our planet disguised as school children and a hamster. They have a mission to complete: to convince 3,400,001 kids to BE SPHDZ in order to save the world! But with a hamster as their leader, "kids" who talk like walking advertisements, and Michael K. as their first convert, will the SPHDZ be able to keep their cover and pull off their assignment?

Several websites mentioned in the book will be live...giving readers a full interactive experience.
