The Perfect Neighbors: A Novel Sarah Pekkanen

How well do you ever really know the family next door?

Bucolic Newport Cove, where spontaneous block parties occur on balmy nights and all of the streets are named for flowers, is proud of its distinction of being named one the top twenty safest neighborhoods in the US. It's also one of the most secret-filled.

Kellie Scott has just returned to work after a decade of being a stay-at-home mom. She's adjusting to high heels, scrambling to cook dinner for her family after a day at the office—and soaking in the dangerous attention of a very handsome, very married male colleague. Kellie's neighbor Susan Barrett begins every day with fresh resolutions: she won't eat any carbs, she'll go to bed at a reasonable hour, and she'll stop stalking her ex-husband and his new girlfriend. Gigi Kennedy seems to have it all together—except her teenage daughter has turned into a hostile stranger and her husband is running for Congress, which means her old skeletons are in danger of being brought into the light.

Then a new family moves to this quiet, tree-lined cul-de-sac. Tessa Campbell seems friendly enough to the other mothers, if a bit reserved. Then the neighbors notice that no one is ever invited to Tessa's house. And soon, it becomes clear that Tessa is hiding the biggest secret of all.
