The UK's amended Disability Discrimination Act 1995 creates important rights and duties in respect of employment and occupations, trade organizations and qualifications bodies, the provision of goods and services, the disposal and management of premises, public transport, and education. This book provides an authoritative and up-to-date analysis of how this important legislation operates in practice. Disability Discrimination is an invaluable reference dealing with the developing body of law regulating disability discrimination for all those advising businesses and service providers, and those representing disabled people in court or tribunal proceedings. Uniquely, this work includes coverage of different implementation of the Act in Wales, Scotland and Northern Ireland, as well as in England or across the UK.
