Savanna's Gift (Christmas Holiday Extravaganza) Camille Eide

Forced to return to the ski lodge where she once worked, Savanna Holt is reminded of one special Christmas and how ambition led her to make the worst mistake of her life: Leaving Luke Nelson. Stunned to discover Luke never left, but worked his way up from lift operator to manager, Savanna sees the opportunity as a gift from God. She's determined to win Luke back. But Luke wants no reminders of his past hurt, or a relationship with the woman who put ambition before love. Can Savanna convince Luke she's changed and her interest isn't because of his position? And when her dream job beckons, will she sacrifice her dream for a second chance at love?
