The Ex Factor: A Novel Tu-Shonda Whitaker

This emotional, erotically-charged novel follows three half-sisters and their complicated relationships with one another and with the men in their lives.

Celeste thinks all she wants in life are her family and a nice home in the suburbs. Yet lately she's got a hunch that her sexy husband, Sharief, a New York City policeman, is patrolling more than just the streets. Celeste is sure he's cheating on her. When she finds out that the home-wrecker is none other than her own sister Monica, all hell breaks loose.

Monica never intended to fall in love with her sister's husband. But who knew that Sharief would make every inch of her body tingle with a single touch? Monica knows she should have righted her wrong before Celeste found out, but she's in too deep—in more ways than one.

Imani is not pleased that her low-life boyfriend, Walik, just got out of the slammer and wants her back. Sure enough trouble comes knocking. But when a fine Puerto Rican DJ named Kree seduces her and showers her son, Jamal, with attention, Imani finally gets a shot at happiness and ghetto-free love.

Fielding the curve balls tossed their way, Celeste, Monica, and Imani learn that it takes more than sisterhood to cope with love, life, and men—the ones they've got, and that elusive ex factor.

From the Trade Paperback edition.
