## **Desperate Housedogs (The Pampered Pets Series Book 1)** Sparkle Abbey

When Caro Lamont, former psychologist turned pet therapist makes a house call to help Kevin Blackstone with his two misbehaving German Shepherd dogs, she expects frantic dogs, she expects a frantic dog owner, she even expects frantic neighbors. What she doesn't expect is that two hours later the police will find Kevin dead, his dogs impounded; and that as the last person to see Kevin alive (well, except for the killer) she is suddenly a person of interest, at least according to Homicide Detective Judd Malone. Sparkle Abbey is the pseudonym of two mystery authors (Mary Lee Woods and Anita Carter). They are friends and neighbors as well as co-writers of the Pampered Pets Mystery Series. The pen name was created by combining the names of their rescue pets - Sparkle (Mary Lee's cat) and Abbey (Anita's dog). They reside in central Iowa, but if they could write anywhere, you would find them on the beach with their laptops and depending on the time of day either an iced tea or a margarita.)
