AmongUS: Essays on Identity, Belonging, and Intercultural Competence

Intended as either the main or supplemental text for an intercultural communication course, AmongUS is a collection of readings from individuals whose intercultural experiences give insights on how to achieve an effective and fair multicultural society where cultural identities are celebrated and maintained. The essays provide a rich source of materials to teach a broad array of interpersonal, sociological, and psychological concepts that apply to educational, business, and cultural settings. The authors have arranged the book around four themes: Identity, Belonging to Multiple Cultures, Racism and Prejudice, and Negotiating Intercultural Competence.
