What every magician needs! From the amateur magician who wants to learn how to do a couple of cool tricks and be the talk amongst his friends, to the intermediate magician who wants to improve and expand on his arsenal of tricks, this book can do just that and much, much more.

No matter what situation you are in, prepared or not, you will learn enough tricks to amaze everyone in the room. Whether it's with your own deck of cards, which has been prepared in advance, or with a deck of cards you are handed over by your friends to prove if your skills are as good as you lead them to believe.

And as the card tricks start to get old, challenge your friends to some brain teasers and puzzles that will have them thinking for a very long time. So go on, see how far you can push your friends into believing that Magic truly does exist!
