De antiperonistas a peronistas revolucionarios: Las clases medias en el centro de la crisis política argentina (1955-1973) (Spanish Edition) María Estela Spinelli

¿Cuáles fueron las razones que llevaron a amplios sectores de las clases medias a rebelarse en el 55 contra el gobierno de Perón? ¿Y por qué, una vez que conquistaron el poder, no pudieron construir un régimen político democrático que incorporara al peronismo? La hipótesis principal de este libro es que las clases medias antiperonistas civiles y militares de mediados de los 50 pretendieron y no lograron superar políticamente al peronismo. En cambio, a lo largo de dos décadas, se dieron una serie de intercambios y acercamientos hacia él que, con distintos objetivos, terminaron dando por resultado un nuevo peronismo, tensionado, violento y caótico, que llegó al poder en el 73.

Cómo las clases medias urbanas se ubican en el centro de la crisis política en la Argentina remite, a su vez, a profundas transformaciones sociales y culturales en el mundo, de las que también da cuenta este libro.

Para la colección Nudos de la Historia argentina hemos pedido a historiadores de primer nivel que escriban libros sólidos pero a la vez atractivos, susceptibles de ser leídos y disfrutados por personas interesadas en la historia, aunque carezcan de una formación universitaria en la disciplina. Esperamos estar a la altura del desafío.
