## **Epic: The Junior Novel** Annie Auerbach

From the creators of *Ice Age* and *Rio*, *Epic* tells the story of a hidden civilization. The battle between good and evil rages until a teenage girl is magically transported into this forest kingdom to help save their world, and ours.

The Jinn are tiny forest creatures who love all growing things. Their enemies, the Boggans, want to destroy the forest by spreading decay. When a human girl named M.K. magically shrinks and joins forces with the Leafmen—the brave warrior Jinn—the Jinn may have a chance of survival. Join M.K., the Leafmen, and other curious creatures on a dangerous journey to save this miraculous forest world!

*Epic: The Junior Novel* retells the whole exciting story and features eight pages of full-color images from the movie!
