Norris M. Haynes

## **Group Dynamics: Basics and Pragmatics for Practitioners** Norris M. Haynes

This book provides a clear and engaging description of group dynamic processes. Vignettes, case examples, and activities provide an experiential flavor to the book that will deepen the reader's understanding of key concepts. Activities are also useful experiential teaching and learning tools for studying group dynamics and allow participants to engage in the group dynamic process itself. Another attractive feature of the book is a series of reflections by an individual who participated in an intensive two-weekend group experience. She shares her thoughts on the group's progression through various stages of change and reflects upon its impact on her personal growth. *Group Dynamics: Basics and Pragmatics for Practitioners* will serve as an important text for students and professors and as a valuable guide for those who facilitate groups in a variety of clinical, counseling, educational, research, and organizational settings.
