*I Found My Friends* recreates the short and tempestuous times of Nirvana through the musicians and producers who played and interacted with the band. The guides for this trip didn't just watch the life of this legendary band—they lived it. Soulsby interviewed over 150 musicians from bands that played and toured with Nirvana, including well-known alternative and grunge bands like Dinosaur Jr., The Dead Kennedys, and Butthole Surfers, as well as scores of smaller, but no less fascinating bands.

In this groundbreaking look at a legendary band, readers will see a more personal history of Nirvana than ever before, including Nirvana's consideration of nearly a dozen previously unmentioned candidates for drummer before settling on David Grohl, a recounting of Nirvana's famously disastrous South American shows from never-before-heard sources on Brazilian and Argentine sides, and the man who hosted the first ever Nirvana gig's recollections of jamming with the band at that inaugural event.

*I Found My Friends* relives Nirvana's meteoric rise from the days before the legend to through their increasingly damaged superstardom. More than twenty years after Kurt Cobain's tragic death, Nick Soulsby removes the posthumous halo from the brow of Kurt Cobain and travels back through time to observe one of rock and roll's most critical bands as no one has ever seen them before.
