Punishment in Disguise: Penal Governance and Canadian Women's Imprisonment Kelly Hannah-Moffat

In *Punishment in Disguise*, Kelly Hannah-Moffat presents a look at some current forms of penal governance in Canadian federal women's prisons. Hannah-Moffat uses women's imprisonment to theorize the complexity of penal power and to show how the meaning and content of women's penal governance changes over time, how penal reform strategies intersect and evolve into complex patterns of governing, how governing is always gendered and racialized, and how expert, non-expert, and hybrid forms of power and knowledge inform penal strategies.

The author posits that although there has been a series of distinct phases in the imprisonment of women, the prison system itself, given its primary functions of custody and punishment, is consistent in thwarting attempts at progressive reform. While each distinct phase has its own corresponding ideology and discourse, the individual discourses have internal complexities and contradictions, which have not been adequately recognized in the general literature on penology.

Avoiding universal and reductionist claims about women's oppression, Hannah-Moffat argues that relations of power are complex and fractured and that there is a need to explore the specific elements of institutional power relations. Backed by solid research, *Punishment in Disguise* makes a strong contribution to criminology and feminist theory by providing an alternative approach to analysing the governance of women by other women and by the state.

From reader reviews:

Lola Paolucci:

What do you think about book? It is just for students because they're still students or it for all people in the world, what best subject for that? Only you can be answered for that query above. Every person has distinct personality and hobby for each and every other. Don't to be pushed someone or something that they don't want do that. You must know how great as well as important the book Punishment in Disguise: Penal Governance and Canadian Women's Imprisonment. All type of book could you see on many resources. You can look for the internet solutions or other social media.

Lisa Langlais:

Information is provisions for individuals to get better life, information currently can get by anyone from everywhere. The information can be a know-how or any news even a problem. What people must be consider when those information which is inside the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you get the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Punishment in Disguise: Penal Governance and Canadian Women's Imprisonment as your daily resource information.

Robert Araiza:

It is possible to spend your free time you just read this book this reserve. This Punishment in Disguise: Penal Governance and Canadian Women's Imprisonment is simple bringing you can read it in the playground, in the beach, train as well as soon. If you did not possess much space to bring the printed book, you can buy often the e-book. It is make you easier to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Christopher Bohner:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Punishment in Disguise: Penal Governance and Canadian Women's Imprisonment can make you experience more interested to read.
