Some Like It Hot (Recipe for Love) Louisa Edwards

Sexy, single, and even sweeter than the treats he bakes, New York pastry chef Danny Lunden is trying to stay focused on food—not females. With the Rising Star Chef competition approaching, he doesn't have time to get all steamed up over the gorgeous woman he encounters on the plane to Chicago. Even if she *is* Eva Jansen—the billionaire heiress in charge of the contest...

Danny assumes that "Eva the Diva" is a spoiled rich girl who doesn't share his passion for food. But when the two meet up again in an elevator—alone—they share more than just passion. They share a kiss hot enough to start a kitchen fire—and they're hungry for more. To indulge their new secret craving, Eva and Danny have to break every rule in the cookbook. But—like chocolate and caramel—some ingredients are so sinfully good together, one scrumptious bite is never enough...
