Forgotten Voices of the Somme: The Most Devastating Battle of the Great War in the Words of Those Who Survived Joshua Levine

1916. The Somme. With over a million casualties, it was the most brutal battle of World War I.

It is a clash that even now, over 90 years later, remains seared into the national consciousness, conjuring up images of muddy trenches and young lives tragically wasted. Its first day, July 1st 1916 - on which the British suffered 57,470 casualties, including 19,240 dead - is the bloodiest day in the history of the British armed forces to date. On the German side, an officer famously described it as 'the muddy grave of the German field army'. By the end of the battle, the British had learned many lessons in modern warfare while the Germans had suffered irreplaceable losses, ultimately laying the foundations for the Allies' final victory on the Western Front.

Drawing on a wealth of material from the vast Imperial War Museum Sound Archive, *Forgotten Voices of the Somme* presents an intimate, poignant, sometimes even bleakly funny insight into life on the front line: from the day-to-day struggle of extraordinary circumstances to the white heat of battle and the constant threat of injury or death. Featuring contributions from soldiers of both sides and of differing backgrounds, ranks and roles, many of them previously unpublished, this is the definitive oral history of this unique and terrible conflict.

Virginia Combs:

Information is provisions for folks to get better life, information currently can get by anyone at everywhere. The information can be a information or any news even a concern. What people must be consider if those information which is inside the former life are challenging to be find than now's taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you obtain the unstable resource then you buy it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take *Forgotten Voices of the Somme: The Most Devastating Battle of the Great War in the Words of Those Who Survived* as your daily resource information.

Lawrence Caulfield:

Your reading sixth sense will not betray anyone, why because this *Forgotten Voices of the Somme: The Most Devastating Battle of the Great War in the Words of Those Who Survived* book written by well-known writer whose to say well how to make book that can be understand by anyone who have read the book. Written with good manner for you, dripping every ideas and composing skill only for eliminate your current hunger then you still question *Forgotten Voices of the Somme: The Most Devastating Battle of the Great War in the Words of Those Who Survived* as good book not simply by the cover but also from the content. This is one publication that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick that!? Oh come on your reading sixth sense already told you so why you have to listening to an additional sixth sense.

Bruce Jackson:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to presently

there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Forgotten Voices of the Somme: The Most Devastating Battle of the Great War in the Words of Those Who Survived can make you sense more interested to read.
