Up All Night: My Life and Times in Rock Radio Carol Miller

Carol Miller is indisputably America's premiere female rock 'n' roll disc jockey, as her well-deserved induction into the Rock and Roll Hall of Fame proves.

In her illuminating, fascinating, sometimes heartbreaking memoir, *Up All Night*, the legendary "Nightbird" tells the story of her colorful career—her rise to success in a male-dominated music industry; her close and personal dealings with rock royalty like Bruce Springsteen (whose music she first introduced to New York radio), Sir Paul McCartney, and Steven Tyler (whom she dated)—and details openly and honestly her battle against breast cancer for the very first time.
