In his book *Mein Kampf* Adolf Hitler claims that he made the decision to use the swastika as the emblem for his fledgling movement. He was responsible for the shape the swastika finally took, and for the choice of colours used, which set the pattern for all subsequent flags. In this third of a series of texts [MAA 270 & MAA 274], Brian L. Davis investigates the flags of the Third Reich party and police units, in a text complemented by numerous contemporary photographs, and eight full page colour plates by Malcolm McGregor. Men-at-Arms 270, 274 and 278 are also available in a single volume special edition as 'Flags of the Third Reich'.
