Fall, winter, spring, and summer, Smitten is a place for love . . . and mystery.

But will professional cupid Zoe finally meet her match?

There's a secret in Grandma Rose's attic—a forgotten set of dog tags belonging to her first love. But David Hutchins was killed in action and never returned to town. How did the dog tags end up in the Grandma's attic? It's a romantic mystery fit for a town like Smitten, Vermont, which has been working hard to reinvent itself as a destination for lovers. Rose's three granddaughters are determined to investigate, though their mother Anna has reservations about digging up the past. But will they get distracted by mystery men of their own before they solve the puzzle of the dogtags?

In *Make Me a Match*, Zoe sinks every dollar she has into a matchmaking service, but the good-looking new city manager seems determined to shut her business down. Is he an obstacle to her success . . . or a divine gift for her own lonely heart?

Excerpted from *Secretly Smitten*, a novel in four parts written by Inspirational fiction's most popular romance novelists—and real life BFFs!
