## **SUMO (Shut Up, Move On): The Straight-Talking Guide to Creating and Enjoying a Brilliant Life**

Paul McGee

S.U.M.O. stands for Shut Up, Move On. It's a phrase to say to ourselves (and sometimes others) when we are acting or thinking in a way that is hindering our ability to succeed. It doesn't necessarily mean 'get over it' or 'pull yourself together' (although there may be occasions when both responses are necessary). 'Shut Up' means stop what you're doing, take time out to reflect, let go of baggage and beliefs that hinder your potential. 'Move On' means tomorrow can be different from today, look for new possibilities, don't just think about it, take action.

There are six S.U.M.O. principles that are designed to help you create and enjoy a brilliant life. If you are wrestling with life's challenges, these principles will help you do so more successfully.

1. Change Your T-Shirt - take responsibility for your own life and don't be a victim.
2. Develop Fruity Thinking - change your thinking and change your results.
3. Hippo Time is OK - understand how setbacks affect you and how to recover from them.
4. Remember the Beachball - increase your understanding and awareness of other people's world.
5. Learn Latin - change comes through action not intention. Overcome the tendency to put things off.
6. Ditch Doris Day - create your own future rather than leave it to chance. Forget the attitude 'que sera, sera, whatever will be, will be.'

"A superb book. It combines honesty, humour and inspiration to help people move ahead in life."

—Allan and Barbara Pease, authors of *Why Men Don't Listen and Women Can't Read Maps*

"Powerful, simple and effective. A highly engaging and thought provoking book. Anyone who reads it is sure to look at themselves and the world differently as a result."

—Octavius Black and Sebastian Bailey, *The Mind Gym*

The S.U.M.O. guy is Paul McGee, an international speaker and author. He has been developing the S.U.M.O. principles over the last five years.
