Leather Nights Alex Ironrod

Kink. Cops. Murder. Partnered as LAPD homicide detectives Mark and Dan must work to solve two murders while developing as partners in Leathersex - but with a major difference. Kink. Cops. Detectives. Murder in Los Angeles of a former porn star. More leather that you can strip from a stockyard, and enough spunk to coat a condominium. Fast cars and expensive bikes. A privately run underground sex-slave auction. When two members of the LAPD find themselves drawn into a deadly and sadistic undercover crime ring, they may find themselves in deeper than they could have imagined. Will Detective Mark and new partner Dan survive this case to develop their own newfound BDSM sexual relationship? And which will be Dominant and which submissive? Leather author Alex Ironrod [Leather Days, Deception-PalmSpringsand Cages-Cathedral City] again fills his pages with murder, intrigue, and hot kinky sex. Leather Knightsis one hot, sticky crime thriller. This work has been previously published.

From reader reviews:

William Ullrich:

Information is provisions for those to get better life, information currently can get by anyone with everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is in the former life are challenging to be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Leather Nights as the daily resource information.

Denise Swann:

Reading a publication tends to be new life style with this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Having book everyone in this world can share their idea. Books can also inspire a lot of people. A great deal of author can inspire their own reader with their story or their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their proficiency in writing, they also doing some study before they write for their book. One of them is this Leather Nights.

Brent Campbell:

The publication with title Leather Nights includes a lot of information that you can study it. You can get a lot of benefit after read this book. This kind of book exist new know-how the information that exist in this publication represented the condition of the world at this point. That is important to you to be aware of how the improvement of the world. This particular book will bring you inside new era of the the positive effect. You can read the e-book with your smart phone, so you can read the item anywhere you want.

Jerold Niemi:

Your reading 6th sense will not betray a person, why because this Leather Nights book written by well-known writer we are excited for well how to make book that can be understand by anyone who all read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your personal hunger then you still skepticism Leather Nights as good book but not only by the cover but also through the content. This is one reserve that can break don't ascertain book by its protect, so do you still needing one more sixth sense to pick this kind of!? Oh come on your reading sixth sense already alerted you so why you have to listening to yet another sixth sense.
