Make Mine Music Bruce Swedien

(Book). Ever since his father gave him a disc recorder at the tender age of 10, Bruce Swedien has known what he wanted to do for the rest of his life. The names of the people he has worked with are too many to list, but when one mentions musicians like Count Basie, Duke Ellington, Oscar Peterson, Sarah Vaughan, Eddie Harris, Quincy Jones, Jennifer Lopez, and even Michael Jackson, a great deal is immediately understood. In this book, Swedien generously gives away detailed information from his lifetime in the studio—from a musical, technical, and very personal perspective. This book has something for everyone who is interested in music, especially those curious about the stories behind the scenes of some of the best music to ever come out of the recording studio.
