Obstetricia: Aspectos claves (Spanish Edition)

Jorge Hernán Gutiérrez, Jader Jesús de Gómez, Hernán Arturo Cortés

Obstetricia: Aspectos claves (Spanish Edition) Jorge Hernán Gutiérrez, Jader Jesús de Gómez, Hernán Arturo Cortés

La obstetricia es la rama de la medicina que se encarga de la gestación, el parto y el puerperio. La mejora de la salud materna es uno de los ocho Objetivos de Desarrollo del Milenio (ODM) adoptados por la comunidad internacional en el año 2000. Muchas mujeres mueren por causa de complicaciones que se producen durante el embarazo y el parto o después de ellos la mayoría de esas complicaciones aparecen durante la gestación; otras pueden estar presentes desde antes del embarazo, pero se agravan con la gestación. Esta obra es una valiosa herramienta para que los estudiantes de pregrado, profesionales no especialistas, estudiantes de posgrado y especialistas en ginecología y obstetricia, según su necesidad particular, conciben globalmente la teoría y aplicación de los conceptos más importantes de la atención de la mujer gestante. Esta obra es una valiosa herramienta para que los estudiantes de pregrado, profesionales no especialistas, estudiantes de posgrado y especialistas en ginecología y obstetricia, según su necesidad particular, conciben globalmente la teoría y aplicación de los conceptos más importantes de la atención de la mujer gestante.

From reader reviews:

Nancy Garcia:

Book is to be different for each grade. Book for children until eventually adult are different content. We all know that that book is very important usually. The book Obstetricia: Aspectos claves (Spanish Edition) has been making you to know about other understanding and of course you can take more information. It is rather advantages for you. The publication Obstetricia: Aspectos claves (Spanish Edition) is not only giving you more new information but also for being your friend when you experience bored. You can spend your spend time to read your publication. Try to make relationship with all the book Obstetricia: Aspectos claves (Spanish Edition). You never feel lose out for everything should you read some books.

William Glover:

Information is provisions for those to get better life, information nowadays can get by anyone on everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is within the former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you receive the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Obstetricia: Aspectos claves (Spanish Edition) as the daily resource information.

Harold Morris:

Within this era which is the greater person or who has ability to do something more are more important than other. Do you want to become certainly one of it? It is just simple way to have that. What you must do is just spending your time not much but quite enough to experience a look at some books. On the list of books in the top collection in your reading list is actually Obstetricia: Aspectos claves (Spanish Edition). This book and that is qualified as The Hungry Hillside can get you closer in turning into precious person. By looking upwards and review this publication you can get many advantages.

Gloria Lafreniere:

A lot of e-book has printed but it differs from the others. You can get it by online on social media. You can choose the top book for you, science, comic, novel, or whatever by simply searching from it. It is named of book Obstetricia: Aspectos claves (Spanish Edition). You can contribute your knowledge by it. Without leaving the printed book, it may add your knowledge and make anyone happier to read. It is most significant that, you must aware about book. It can bring you from one destination to other place.
