Tony Cohan

## **Mexican Days: Journeys into the Heart of Mexico** Tony Cohan

Tony Cohan's *On Mexican Time*, his chronicle of discovering a new life in the small Mexican mountain town of San Miguel de Allende, has beguiled readers and become a travel classic. Now, in *Mexican Days*, point of arrival becomes point of departure as—faced with the invasion of the town by tourists and an entire Hollywood movie crew, a magazine editor's irresistible invitation, and his own incurable wanderlust—Cohan undertakes a richer, wider exploration of the country he has settled in.

Told with the intimate, sensuous insight and broad sweep that captivated readers of *On Mexican Time*, *Mexican Days* is set against a changing world as Cohan encounters surprise and adventure in a Mexico both old and new: among the misty mountains and coastal Caribbean towns of Veracruz; the ruins and resorts of Yucatán; the stirring indigenous world of Chiapas; the markets and galleries of Oaxaca; the teeming labyrinth of Mexico City; the remote Sierra Gorda mountains; the haunted city of Guanajuato; and the evocative Mayan ruins of Palenque. Along the way he encounters expatriates and artists, shady operatives and surrealists, and figures from his past.

More than an immensely pleasurable and entertaining travel narrative by one of the most vivid, compelling travel voices to emerge in recent years, *Mexican Days* is both a celebration of the joys and revelations to be found in this inexhaustibly interesting country and a searching investigation of the Mexican landscape and the grip it is coming to have in the North American imagination.
