## **Mobilizing Ethnic Identities in the Andes: A Study of Ecuador and Peru** Lisa M. Glidden

Mobilizing Ethnic Identity in the Andes examines why some groups choose to organize themselves based on ethnic identity, that is, why ethnic identities are mobilized and politicized by some populations and not others, using case studies from Ecuador and Peru. It demonstrates that the mobilization of ethnic identity is a political choice, and it is not necessarily the first or natural choice of a group of people who have grievances with their government.
