Old Testament Theology: Reading the Hebrew Bible as Christian Scripture

R. W. L. Moberly

Old Testament Theology: Reading the Hebrew Bible as Christian Scripture R. W. L. Moberly

"Walter Moberly is easily among the best and most compelling Old Testament theologians working today. In his latest offering, he builds off of previous work, advancing a reading of Israel's scriptures within a Christian frame of reference such that the claims of the ancient text are repeatedly shown to have lively and enduring implications for contemporary faith. Moberly reads the text with careful attention to both its large conceptions and its detailed philology, offering an interpretation that is at once theological and existential, designed ultimately for lively and faithful performance. More than anything else, this volume distinguishes itself (and its author) as exceedingly wise--something that can be said for precious few books these days. Here is a volume that I will use and return to often."

--**Brent A. Strawn**, Candler School of Theology, Emory University

"Old Testament theology in the form of eight exegetical performances. A Moberly omnibus: clear, thoughtful, engaging, and of contemporary relevance."

--**Christopher Seitz**, Wycliffe College, University of Toronto

"A truly exegetical approach! Moberly's signature style is patient, humane, and wise, combining loving attention to representative biblical texts (rather than general 'themes') with probing reflection on what it might mean for twenty-first-century Christians to enter imaginatively into Israel's heritage. The result is at once a deft response to the Old Testament's modern despisers, a sympathetic engagement with Judaism, and a sustained, compelling appeal to reintegrate Old Testament interpretation within the conceptual framework of classical Christianity and the concrete practices of Christian life."

--**Stephen B. Chapman**, Duke University

"Anyone who appreciates Walter Moberly's writing will appreciate this new work: urbane, focused, careful, learned, nuanced, fearless, independent, rejoicing to look closely at a few trees in the conviction that they will throw light on the nature of the forest, and conservative in the best possible way. When Professor Moberly dives down promising rabbit holes, you never know where they will lead, but you know that the exploration will be engaging, intriguing, and well worth the admission price."

--**John Goldingay**, Fuller Theological Seminary

"Moberly, a pioneer in reading the Old Testament as Christian Scripture, presents here an engaging model for appropriating that ancient text for life. Through careful readings of representative texts and informed theological reflection, he demonstrates significant resonances across the canon. This work, however, is no mere academic exercise. Moberly explores the person of God to give realistic direction to faith. This novel Old Testament theology is stimulating--more important, it is useful."

--**M. Daniel Carroll R. (Rodas)**, Denver Seminary
