Suspense-Thrilling Novel Exposes the Inner Workings of the Sinister Mind An erotic fiction about a serial killer's trend and a victim's plot A gripping tale about murder and mystery, Serenity Foster Book I is a captivating, alluring and compelling read that sends chills to its readers' spines. This suspense-thriller is out of the creative brilliance of author Jeny W. Hothi. With this erotic tale, she stimulates the avid fans of mystery and suspense. Bringing life to her characters, Hothi takes the trend of crime suspense-thrillers to a whole new level. Filled with breathtaking and bloodcurdling episodes, this fiction can surely take its readers at the edge of their seats. This remarkable read features the elusive and fatal workings of a serial killer. Like a reflection of the actual acts of the typical cold-blooded, ruthless murderers commonly portrayed in movies and television shows, the creative texts in this book will stun its readers, for they depict, convey, confirm and bring to life the small fragments of human paranoia that goes unexpressed and kept hidden in the subconscious mind. Jeny W. Hothi did a fantastic job in unveiling that hidden part of the psyche. This book also paints the sinister and vengeful thoughts from the perspective of a victim, who schemes and plots her way to kill her perpetrator. Thus, interestingly enough this is not just a one-way plot where one goes defenseless against the antagonist. Witty, descriptive and filled with exciting twists and turns, Serenity Foster Book I remarkably contains the interesting and sordid details of the violent and menacing tactics that go on when the prey becomes the predator and the hunter is now being hunted.
