Stay with Me

S. E. Harmon

Stay with Me S. E. Harmon

Private investigator Mackenzie Williams' newest client is everything he's looking for in a guy--charming, beautiful, intelligent, and successful. There's only one itty bitty problem: the guy's not exactly gay. In fact Jordan Channing is looking for a PI to follow his fiance. The smart thing would be to thank Jordan for his time, turn Mr. Perfect away (don't let the door hit you on the rump, thank you very much), and forget he exists.

Of course Mackenzie has never been accused of doing the smart thing. Being a smart aleck is more his MO. Relationships aren't up his alley, never have been. So why's he so inexplicably drawn to his new client?

Jordan has always been the high achiever, a man who lives in a focused, controlled, and carefully constructed manner. But for the first time in his life, he has to admit the impossible: another man is getting his engine running on all cylinders. Despite Jordan's denial, it's not long before he can no longer resist the strong undercurrents pulling them together. Now Jordan must decide if he can go against everything he's ever known to have the only love he's ever wanted.
