Throb Vi Keeland

From *New York Times* and *USA Today* best seller Vi Keeland comes a steamy new romance novel.

The rules:

- No dating.
- No sex outside of the game.
- No disclosing the terms of the contract.

Rules were made to be broken, right?

Eight weeks ago I signed a contract. It seemed like a good idea at the time: a handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules, though - lots of them actually. I had to follow the script and avoid dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men last year, it wouldn't be hard to live up to my end of the bargain...or so I thought. Then I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother.

Author's note - *Throb* is a full-length standalone audiobook. Due to strong language and sexual content, this book is not intended for listeners under the age of 18.
