Monogamy

Adam Phillips

Monogamy Adam Phillips

In this sparkling, provocative collection of meditations on coupledness and its discontents, Adam Phillips manages to unsettle one of our most dearly held ideals, that of the monogamous couple, by speculating upon the impulses that most threaten it--boredom, desire, and the tempting idea that erotic fulfillment might lie elsewhere. With 121 brilliant aphorisms, the witty, erudite psychoanalyst who gave us *On Kissing, Tickling, and Being Bored* distills the urgent questions and knotty paradoxes behind our mating impulse, and reveals the centrality of monogamy to our notions of marriage, family, the self--in fact, to everything that matters.

The only truly monogamous relationship is the one we have with ourselves.

Every marriage is a blind date that makes you wonder what the alternatives are to a blind date.

There's nothing more scandalous than a happy marriage.

From reader reviews:

Joanne Hall:

As people who live in the modest era should be update about what going on or information even knowledge to make all of them keep up with the era and that is always change and make progress. Some of you maybe can update themselves by studying books. It is a good choice in your case but the problems coming to a person is you don't know which you should start with. This Monogamy is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Guadalupe Baum:

Do you among people who can't read satisfying if the sentence chained within the straightway, hold on guys that aren't like that. This Monogamy book is readable by simply you who hate those straight word style. You will find the information here are arrange for enjoyable reading through experience without leaving also decrease the knowledge that want to deliver to you. The writer connected with Monogamy content conveys objective easily to understand by lots of people. The printed and e-book are not different in the content material but it just different by means of it. So , do you nevertheless thinking Monogamy is not loveable to be your top listing reading book?

Barbara Gunter:

Reading a guide tends to be new life style on this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their very own reader with their story or their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this Monogamy.

Tina McKinney:

Is it a person who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something new? This Monogamy can be the solution, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?
